

ENGAGEMENT WITH A SECTION OF THE YOUTH GROUPS IN THE SABOBA DISTRICT

10TH FEBRUARY, 2022

The District Chief Executive of Saboba District Assembly engaged a section of the youth of the district on the effects of social vices which hinders development.

He urged them to lead an exemplary lifestyle and be each other's keeper especially in these abnormal times where there are rumours of war mongering issues in the area. He also admonished them to be innovative in the field of science, technology, agric and information communication since they are the drivers of the world.

The youth also appealed to the District Chief Executive to support in the youth who have embarked on innovative ideas to put to bear their acquired knowledge to improve upon their livelihood.

The District Chief Executive in response made it known that the District Assembly has supported 30 young people with Sewing machines, 25 set of hairdryers to 25 young people, 10 set working tools for artisans and 10 boreholes mechanics giving the requisite training and start up tools.

In conclusion, the youth have so far been impressed about the positive impact of the District Chief Executive led administration.
